ABOUT US

Cayman International stands as a beacon of excellence in the realm of Scaffolding, Formwork, Shuttering & Scaffolding Accessories.

As a meticulously managed 100% exporting entity, we proudly embody the collaborative efforts of a consortium of premier original equipment manufacturers.

At the heart of our operations lies a state-of-the-art infrastructure that includes our 100,000 sq. ft. facility housing 9 drop forging hammers, 38 power presses, 6 VMCs and 6 CNCs, boasting cutting-edge laboratories, a precision-equipped tool room and more.

Complemented by a cadre of specialised technical managers, we uphold the most stringent quality standards, exquisitely overseeing every aspect from raw materials to the finished product.

Our pledge is to sustain unwavering confidence in our offerings, underpinned by our steadfast commitment to prompt and reliable service.
